

Summary

I am a recent graduate from Rutgers University with a Bachelor of Science degree in computer science and certifications in CompTIA Security+ and Palo Alto Networks. Proficient in data analysis and reporting bugs using computer software, with excellent time-management skills, programming languages, strong written and oral communication skills and knowledge of cybersecurity principles and practices. Eager to apply my technical skills, knowledge, and safeguarding sensitive data to contribute to the success of the organization. Committed to continuous learning and growth, with a passion for technology and innovation.
